Pure air, fast and wide

A Front Air Inflow easily draws in air and Dual Power Fans with 4 step filtration systems which powerfully purify and distribute clean air with its 3 Way Air Flow. So it purifies large living rooms faster.*

* Tested on AX70J7000WT/SC. Compared with Samsung conventional model AC-505CMAGA. Performance may vary depending on the actual usage environment. ** 773 CADR m³/h based on testing by China household appliances detection

Air Quality? Check it now!

The Air Purity Display lets you see the pollution drop before your eyes! 3 sensors give an exact numeric measurement of the PM2.5 and PM10 levels, and various colour lights visually show them and the harmful gas level.

Eliminate up to 99% of PM2.5 & viruses

Keeps air outstandingly pure with 4 step filtration systems. It removes up to 99.9% of ultrafine dust** and harmful gases*** and eliminates up to 99.7% of harmful viruses and allergens****

** Tested on AX70J7000WT/SC in KIMM (Korea Institute of Machinery & Materials) for 0.02 μ m, 0.1 μ m and PM2.5 *** Tested on AX70J7000WT/SC in KIMM (Korea Institute of Machinery & Materials) for ammonia, acetaldehyde and acetic acid. Also tested in China household electric appliance research institute for formaldehyde, TVOCs and benzene. **** Tested in Kitasato Environmental Science Centre (Japan) & Yonsei Univ. (Korea)/Korea test lab (FITI/KEMTI) and Japan test lab (ITEA).

Enjoy fresh air with low energy use

Super Low Mode senses the pollution level and automatically adjusts the power to minimise electricity use and cost.* Sleep Mode works softly and quietly, while Speed Mode powerfully refresh a room at the maximum power for 30 minutes.

* Super Low Mode consumes only 9% of the electricity used in Speed Mode (operated 24 hours a day, Korean domestic electricity tariff, level 1 of a graduated fuel tax).

Space-efficient and easy to maintain

The Samsung Blue Sky AX7000 air purifier has a front-sided air inlet, so you don't need to move it or pull away from the wall to get to the filter - Just open the door and you can simply clean it or change it. And, thanks to its slim design it will fit anywhere you place it.
